Re: Aged and Disabled waiver amendment for public comment

Date: January 29, 2016

On March 7, 2016, the Indiana Family and Social Service Administration (FSSA) Division of Aging (DA) intends to submit a proposed amendment to the Aged and Disabled (A&D) waiver to the Centers for Medicare and Medicaid for consideration. The currently approved A&D waiver is available on the [DA Medicaid Waivers webpage](#).

The amendment to the A&D waiver is being submitted to increase the number of participants that can be served in Waiver Year 3. The only other changes to the waiver's language were to incorporate the status of FSSA as the single State agency for Medicaid services.

Modifications in the amendment include:

- Increase in participants served as follows:

	Current Participants to be Served	Requested Participants to be Served
Waiver Year 3	16,918	17,299
Waiver Year 4	17,619	17,619
Waiver Year 5	18,204	18,204

- FSSA single state agency language modified primarily in Appendix A.

Comments will be accepted until 4:30 p.m. EST on February 29, 2016, and may be emailed to DAComments@fssa.in.gov or mailed to the address below.
